

DESCRIPTION:

- Powder-coated aluminum rail for wall panel sideform
- Stack on itself or with other profiles to build higher configurations
- Interchangeable corner strips provides for chamfer or other corner profiles
- Brace taller configurations using bolt-on kicker
- Fasten to steel decks with magnets
- Tool releases magnet from deck with one-hand operation
- Cut to fit with chop saw using carbide blade

RELATED COMPONENTS:

6-Inch EZ Stack Rail	T151-44
EZ Stack Riser, 1x2	T151-45
EZ Stack Riser, 2-1/2x3	T151-42
Corner Strip, Flat	T150-51
Corner Strip, 1/2" Chamfer	T150-53
Corner Strip, 3/4" Chamfer	T150-52
Corner Strip, 3/4" Chamfer w/ drip edge	T150-54
Kicker	T151-2
Magnet	T120-3
Release Tool	T120-5
T-bolt	T141-1
Washer - M16	T141-3
Coil Rod for Stacking, 1/2"-6	T140-10
Coil Nut, 1/2"-6	T140-19
Fastening Strip with 1/2"-6 coil nuts	T140-8
Bolt for 1x2 Riser, 1/2"-6 x 2	T140-11
Bolt for 2-1/2x3 Riser, 1/2"-6 x 3-1/2	T140-12

TECHNICAL DETAILS:

Rail Height	4 inches
Rail Depth	3-5/8 inches
Weight	2.9 pounds per ft
Standard Length	10 ft
